

FOPO Webinar

2020 Census; What can Pediatricians Do?

September 23rd at 1pm EST

Join our webinar to hear from our partners at the Census Bureau along with Dorian Caal, Director of Civic Engagement at NALEO. This webinar will cover:

- FOPO/Census Collaboration
- An operational overview on changes the Census Bureau has made
- Action items on what pediatricians and pediatric organizations can do to assist in their communities
- NALEO's research findings on messaging and communication for improving the count of young children
- Key messages on how to most effectively communicate in your community
- Next steps
