

A well-regarded university in Syracuse, New York, is seeking an academic adolescent medicine physician for an expanding division. The division provides outpatient consultative clinical care for adolescents with a full range of adolescent needs, including gender-affirming hormones, outpatient eating disorder care, contraception including Nexplanon placement and removals, menstrual disorders, and STI care, including pre-exposure prophylaxis for HIV, mental health issues, and chronic illness. A board-certified or board-eligible pediatrician or adolescent medicine physician is preferred.

### **Opportunity Highlights**

- Outpatient consultative clinical care for adolescents
- Small, collegial team that works closely with colleagues in pediatric infectious disease, pediatric hematology/oncology, and other disciplines
- Teach medical students, residents, and fellows
- Excellent opportunities for research and quality improvement projects
- Academic appointment commensurate with experience

### **Community Information**

Syracuse, New York, a thriving university community with unparalleled quality of life due to the incredibly reasonable cost of living, offers waterfront homes, undeveloped acreage for custom-built estates, and established homes within the city limits. You'll appreciate Upstate New York's four gorgeous seasons, ample outside recreation, and numerous state parks, lakes, and trails.

- Exceptional public and private schools with an easy commute from any local suburb
- Convenient access to Boston, New York City, Montreal, Toronto, and Pennsylvania
- Enjoy ample downhill and cross-country skiing, ice skating, swimming, boating, and hiking
- International Airport in the community for ease of travel and access anywhere in the world
- Professional and collegiate sporting events keep the sports enthusiast well entertained
- Cultural entertainment attractions include museums, theaters, the symphony, jazz fests, and the acclaimed New York State Fair

For immediate consideration please inquire with an updated copy of your CV so we can discuss the position by phone. Also, inform me of your best available times to speak. I look forward to your reply and thank you for your review. Please do not delay as we anticipate a significant response.
