

Pediatric Emergency Medicine Physicians

Physician Affiliate Group of New York (PAGNY) is comprised of over 4,000 physicians and healthcare professionals who provide services to NYC Health + Hospitals (H+H), the largest public health system in the United States. As one of the largest multi-disciplinary groups in the country, our main purpose is to nurture and embolden the healthcare providers who take care of the most fragile and vulnerable patients in New York City. Currently, we have exceptional opportunities for Pediatric Emergency Medicine Physicians in the following roles:

Director, Pediatric Emergency Medicine

NYC Health + Hospitals/Lincoln, located in the Bronx, just 15 minutes from NYC, is an acute care teaching hospital academically affiliated with **Weill-Cornell Medical College**. Dedicated to providing high quality patient care to a diverse community, **Lincoln Medical Center** is a NYS designated and ACS verified Level I Adult Trauma Center with multiple Centers of Excellence. We are currently seeking a dynamic physician leader to serve as **Pediatric Emergency Medicine Director**. Ambitious, exceptional, and eager to learn candidates are encouraged to apply, regardless of years of experience. The candidate will partner closely with the Chief of Emergency Medicine and have responsibility for all operations of this busy Pediatric Emergency Department.

- High volume Pediatric ED with more than 40,000 annual visits
- Emergency Medicine and Pediatric residents working in Pediatric ED
- Nurse Practitioner and Physician Assistants
- Active and productive research program
- Fast Track Pediatric area
- Active clinical programs in ultrasound, simulation and education
- Plan, manage, and implement strategies that enhance quality and efficiency, patient experience, physician engagement, mentor faculty and trainees, and foster professional and scholarly growth of the department.

Attending Physician – Pediatric Emergency Medicine

NYC Health + Hospitals/Kings County, located in the heart of Brooklyn, with 627 beds, offers a strong academic affiliation with SUNY Downstate Medical Center, along with a large Pediatric Emergency Department that sees over 140,000 patient visits yearly. The provider coverage includes attendings and APPs. We support a residency program that is the largest Pediatric Emergency Medicine program in the country along with 7 fellowship programs. The operations

of the Pediatric Emergency Department includes a critical care/trauma unit, fast track, observation, and a very busy main Emergency Department. A large department like ours requires adequate coverage to effectively and expeditiously provide safe care to our patients.

- The attending physician will oversee all clinical activities in the Emergency Department during assigned shifts.
- Assess, evaluate, diagnose, perform history and physical exams, treat patients of all ages who present in the Emergency Department with any symptoms, illness, injury, or condition.
- Provide clinical teaching and oversights for residents, fellows, and students
- Must be up to date with clinical skills and knowledge base by regular CME as well as taking part in regular departmental teaching activities
- Perform all other duties assigned by the chief of service or his/her designee

Qualifications for the above roles include:

- Licensed to practice in NY state
- Board certified in Pediatric Emergency Medicine
- Graduate of an approved medical school
- Meets 911 staffing requirements
- Proof of Covid-19 vaccination is required prior to hire

Benefits include:

- Competitive compensation package
- 10% 401K company contribution after one year of service
- Choice of a three-tiered nearly FREE medical plan
- Excellent dental insurance including orthodontics coverage
- Generous paid time off program
- CME days
