

MetroHealth, which serves as an essential academic site and safety-net hospital in Cleveland, Ohio, is seeking a pediatric anesthesiologist. Founded in 1837, The MetroHealth System has served the residents of Cuyahoga County longer than any other Cleveland health care organization. Today, MetroHealth is an integrated health system with more than 600 physicians, an acute care hospital with Northeast Ohio's most experienced Level I Adult Trauma/Burn Center, Level II Pediatric Trauma Center, and more than 20 ambulatory centers throughout the community with more on the way. We are seeking candidates who are board-certified or board-eligible and have completed pediatric anesthesia fellowship training.
