

The University of Rochester (UR) Medicine Golisano Children’s Hospital and the University of Rochester Medical Center, in partnership with the UR Medicine Wilmot Cancer Institute, are seeking a Division Director of Pediatric Hematology/Oncology. The successful candidate for this major academic leadership position will develop and expand the medical education, clinical, and research programs.

## **OPPORTUNITY HIGHLIGHTS**

- Major academic leadership opportunity — develop and expand all division programs
- Nationally ranked, freestanding Children’s Hospital (*US News & World Report*) — all pediatric subspecialties represented
- Work closely and corroboratively with all members of the clinical and research programs in the Wilmot Cancer Institute
- The UR Medicine Wilmot Cancer Institute features an 87-bed flagship cancer center, 13 outpatient locations, and one of the state’s largest blood and marrow transplant programs
- The division is an active member of the Children’s Oncology Group and the Pediatric Transplantation and Cellular Therapy Consortium
- The division has an ACGME-approved fellowship program in pediatric hematology/oncology and provides training for medical students, pediatric residents, and internal medicine-pediatric residents

## **COMMUNITY INFORMATION**

On the southern shore of Lake Ontario, Rochester, New York, is just north of the breathtaking Finger Lakes region in Upstate New York.

- Stimulating and progressive metropolitan community of 1.1 million people
- Stress-free living, including affordable housing, easy commutes, and highly ranked public schools
- Cultural district features the Eastman School of Music, The Memorial Art Gallery, and several other museums, theaters, studios, shops, restaurants, and more
- More than 100 wineries, breweries, and distilleries
- Camping and water sports of all kinds, as well as downhill and cross-country skiing
- 6-hour drive to New York City, 3.5 hours to Toronto, and 90 minutes to Niagara Falls and Letchworth State Park — accessible to beautiful regions like Lake Placid and the Adirondack Mountains

*The University is committed to fostering and supporting a workplace culture inclusive of people regardless of their race, ethnicity, national origin, gender, gender identity, sexual orientation, socio-economic status, marital status, age, physical abilities, political affiliation, religious beliefs, or any other non-merit fact so that all employees feel included, equally valued, and supported.*

For immediate consideration please inquire with an updated copy of your CV so we can discuss the position by phone. Also, inform me of your best available times to speak. I look forward to your reply and thank you for your review. Please do not delay as we anticipate a significant response.
