

Children's Specialized Hospital is Seeking two Full-Time Pediatric Physiatrists for Locations Throughout New Jersey

RWJBarnabas Health, the largest integrated healthcare system in New Jersey, and Children's Specialized Hospital are seeking two board-certified/board-eligible Pediatric Physiatrists for full-time roles throughout New Jersey. Responsibilities for these roles include acting as the attending physician and coordinating the rehabilitation of patients at a busy practice. Physician alignment, patient safety, medical staff development, clinical information systems and clinical outcomes are all foci of this position.

Our physicians participate in cutting edge research in treatment for children with a variety of neurological and developmental disorders in collaboration with the renowned scientists at the Kessler Foundation. As part of our team, new staff will be supported by a network of seasoned physicians and dedicated support staff. They will also open themselves up to opportunities for mentoring residents in research.

RWJBarnabas Health offers competitive compensation and a robust benefits package including health, life, disability and malpractice insurance, 401k/retirement, plus PTO and added time off for CME.

Candidate Requirements:

- Fellowship trained in Physical Medicine and Rehabilitation
- ABPMR Pediatric Rehabilitation Medicine board-certified or board-eligible
- NJ licensed or eligible for licensure in NJ

If you are interested in learning more about this position or wish to apply directly, please contact us at Susan.Bethay@rwjbh.org.

About Children's Specialized Hospital:

Children's Specialized Hospital is the nation's leading provider of inpatient and outpatient care for children from birth to 21 years of age facing special health challenges — from chronic illnesses and complex physical disabilities like brain and spinal cord injuries, to developmental and behavioral issues like autism and mental health. At over 15 different New Jersey locations, our pediatric specialists partner with families to make our many innovative therapies and medical treatments more personalized and effective so each child can reach their full potential.

About RWJBarnabas Health:

RWJBarnabas Health is New Jersey's largest integrated health care delivery system, providing treatment and services to more than three million patients each year. With 12 acute care hospitals, 3 children's hospitals, a growing number of our outpatient facilities and physician practices, our healthcare system is committed to providing the highest quality of patient care and health education to the community and region.

Our dedication to serving the people of New Jersey extends far beyond the care we provide within our hospital walls. We support programs that promote health and wellness in our communities and provide access to services that would otherwise be unavailable. We are committed to the ongoing improvement of the health, quality of life, and vitality of our communities. We strive to bring the best healthcare to meet the evolving needs of residents in New Jersey — whether that be enhancing the coordination for treating complex health conditions or improving community health through local programs and education.

Our partnership with Rutgers University creates the state's largest academic healthcare system dedicated to providing high-quality patient care, leading-edge research, and world-class health and medical education, further advancing our mission of providing high-quality healthcare in New Jersey.

The new collaboration also aligns RWJBarnabas Health with Rutgers' education, research, and clinical activities, including those at the [Rutgers Cancer Institute of New Jersey](#) and [Rutgers University Behavioral Health Care](#).

RWJBarnabas Health is an equal opportunity employer
