

Sandip Godambe, MD, PhD, MBA
Professor of Pediatrics
UC Irvine and CMO
SVP-Medical Affairs

Dr. Sandip Godambe is the Senior Vice President and Chief Medical Officer at the Children's Hospital of Orange County (CHOC). In this role, he has primary oversight of activities involving the medical staff, pharmacy, mental health, population health, clinical institutes of excellence (heart, neurosciences, orthopedics, and cancer), quality, safety, regulatory affairs, risk and accreditation. As part of this role, he oversees the clinical operations of CHOC's two hospital campuses, ambulatory network and virtual health programs. He is also the Vice-Chair (Improvement Science) and Professor of Pediatrics at the University of California, Irvine, CA. He has been involved in senior leadership positions at various health systems for almost 15 years.

Dr. Godambe has been a Senior Examiner for the Baldrige Performance Excellence Program. He is also an Improvement Advisor and Fellow with the Institute for Healthcare Improvement (IHI). He is active with American Academy of Pediatrics (AAP), American College of Emergency Physicians (ACEP), Children's Hospital Association (CHA), and the Children's Hospital Solutions for Patient Safety (CH-SPS) in various leadership roles. He is on the Clinical Steering Team for the Child Health Patient Safety Organization (PSO) and Solutions for Patient Safety.

He is currently the Chair of the Child Health PSO. Dr. Godambe has published extensively in emergency medicine, quality, and immunology and is co-editor of five books. He sits on several journal editorial boards.
