

S. Celeste Morley, MD, PhD  
Associate Professor of Pediatrics, Infectious Diseases  
Washington University in St. Louis School of Medicine

S. Celeste Morley, MD, PhD, Associate Professor of Pediatrics at Washington University in St. Louis School of Medicine, is a native of North Carolina. In 2005, she moved to St. Louis for her fellowship in Pediatric Infectious Diseases. Her post-doctoral research with Paul Allen, Ph.D., in the Department of Pathology and Immunology, was supported by the Pediatric Infectious Diseases Society-St. Jude's Award for Basic Research. Dr. Morley opened her laboratory as an independent investigator in the summer of 2010. She lives in south St. Louis with her husband and two daughters.
