

Jochen Profit, MD, MPH  
Professor of Pediatrics  
Stanford University School of Medicine

Dr. Profit graduated from the University of Freiburg Medical School in Germany and completed his Neonatology and Health Services Research training at Harvard. Since 2013, he has been on faculty at Stanford and is currently a professor of Pediatrics and Chief Quality Officer of the California Perinatal Quality Care Collaborative (CPQCC). Dr. Profit's research focuses on optimizing the quality of neonatal-perinatal health care delivery. For over a decade, his research has received continuous funding from the National Institute of Health and other federal, foundation, and intramural sources. Dr. Profit has served on various national scientific and professional organizations, including the National Academy of Sciences and the National Institute of Health.
