

Adolescent Medicine Physician

OU Health and the Oklahoma Children's Hospital Seek an Adolescent Medicine Physician | Excellent Quality of Life | Diverse Patient Population | Live and Work in Desirable Oklahoma City

OU Health Department of Pediatrics and the Oklahoma Children's Hospital seek an Adolescent Medicine Physician for its growing team. The incoming provider will have the support of a passionate team of multi-disciplinary experts, including dietitians and therapists. OU's Pediatrics Department strives to achieve academic excellence and provide research-based medical care for children with the support of OU Health. Join Oklahoma Children's Hospital at OU Health, nationally recognized for its pediatric care.

About Oklahoma Children's Hospital

Oklahoma Children's Hospital at OU Health is a highly regarded acute care hospital in Oklahoma City, Oklahoma, that caters exclusively to women and children. The hospital is a nationally recognized teaching hospital with training programs affiliated with the University of Oklahoma College of Medicine.

Opportunity Highlights

- Experience the satisfaction of treating a diverse adolescent medicine population while enhancing your medical expertise
- Flexibility to establish an independent focus in a collegial and expanding division
- Thrive with a committed team of pediatric specialists in a combination of inpatient hospital-based and outpatient clinics
- Work in a dynamic environment with eager residents that help you enhance your role as a mentor and leader
- Take pride in serving neighboring regions, which widens your impact on pediatric health
- Benefit from dedicated research support and clinical trials
- Leverage the strength of a robust Pediatrics Department with outstanding leadership and the resources of OU Health
- Work at the nationally acclaimed Oklahoma Children's Hospital at OU Health, a beacon of pediatric healthcare excellence in cardiology, cardiothoracic surgery, gastroenterology, and GI surgery (US News)
