

Ryan J. Coller, MD, MPH

Kok-Peng Yu and Anna Lee Shen Associate Professor of Pediatrics
Chief, Division of Hospital Medicine and Complex Care
Department of Pediatrics
University of Wisconsin School of Medicine and Public Health

Dr. Ryan Coller is a tenured associate professor and chief of the division of Hospital Medicine and Complex Care at the University of Wisconsin-Madison. He earned his MD from Johns Hopkins and completed his residency, fellowship, and MPH at UCLA. Dr. Coller's clinical work focuses on hospitalized children and longitudinal care for children with medical complexity. His NIH, AHRQ, and HRSA-funded research aims to prevent hospitalizations using innovative support for family-delivered care at home. He is a frequent faculty and trainee mentor and has served on editorial boards for Pediatrics and Academic Pediatrics.
