

**Nadia Dowshen, MD, MSHP,**

Director of Adolescent HIV Services

Medical Director of the Gender and Sexuality Development Clinic at  
Children's Hospital of Philadelphia

Associate Professor of Pediatrics

Perelman School of Medicine, University of Pennsylvania

Dr. Dowshen is a pediatrician and adolescent medicine specialist whose research has been funded by NIH, CDC, HRSA and private foundations focusing on using digital health interventions for HIV prevention among adolescents and young adults. Her research also focuses on improving access and quality of care for transgender and non-binary children and adolescents.
