

Anup Katheria, MD, FAAP

San Diego Neonatology, Inc.

Neonatal Research Institute, Director

Sharp Mary Birch Hospital for Women & Newborns

Associate Professor of Pediatrics, UCSD

Dr. Anup Katheria is the Director of the Neonatal Research Institute at Sharp Mary Birch Hospital for Women & Newborns. He is an adjunct Associate Professor of Pediatrics at UCSD where he teaches POCUS and echocardiography for their trainees. He is a content expert for the International Liaison Committee on Resuscitation. Most of his work has been focused on delivery room interventions including several multicenter, multinational trials in umbilical cord management including, cord milking and intact cord resuscitation in term and preterm infants, and less invasive surfactant administration. He is a center PI for the Sharp Hospitals, the first stand-alone community hospital to ever join the Neonatal Research Network.
