

Chryso Pefkaros Katsoufis, MD

Associate Professor Clinical Pediatrics
University of Miami Miller School of Medicine
Medical Director, Pediatric Dialysis Unit
Holtz Children's Hospital/Jackson Memorial Hospital

Dr. Katsoufis is a Pediatric Nephrologist at the University of Miami Miller School Medicine dedicated to the care and well-being of children with or at-risk of kidney disease. Her primary research focus in the area of congenital anomalies of the kidney and urinary tract has led to publications, invited lectures, and consortia contribution on the international stage, as well as clinical expertise ranging from fetal consultation through multiple modalities of kidney replacement and other extracorporeal therapies, as she also serves as the medical director of the Pediatric Dialysis Unit of Holtz Children's Hospital. Her contributions to undergraduate and graduate medical education further resulted in service as associate program director of the Pediatric Residency Program of Jackson Memorial Hospital for over 5 years.
