

Pavan Zaveri, MD, MEd

Professor of Pediatrics and Emergency Medicine
The George Washington University School of Medicine and Health Sciences
Associate Division Chief for Education
Division of Emergency Medicine
Children's National Hospital

Pavan Zaveri, MD, MEd, is the Medical Director of the Children's National Hospital Simulation Program and the Associate Division Chief for Education in the Division of Emergency Medicine. Dr. Zaveri serves as the Education Service Core Co-lead for the Pediatric Pandemic Network. He is passionate about integrating simulation and education throughout the interprofessional world of education focusing on communication, safety, and most recently diversity and inclusion. Pavan publishes and teaches about assessment of health professionals as well as simulation.
