Shape the future of pediatric endocrinology in a vibrant coastal setting with exceptional quality of life. MUSC-The Medical University of South Carolina seeks a Pediatric Endocrinology Division Chief at the nationally ranked MUSC Shawn Jenkins Children's Hospital. You'll guide a respected team of specialists in providing comprehensive care for children with diabetes and endocrine disorders. Connect with us today to learn more.

Opportunity Highlights

- Lead a prestigious division within an NCI Designated Pediatric Cancer Center in beautiful coastal Charleston, South Carolina
- Join MUSC, an academic organization, and lead a team of 5 physicians and an APP with dedicated support staff
- Teach and mentor residents and students in a collaborative learning environment
- Enjoy autonomy to build and grow the program in an academic setting
- Practice in the nationally ranked MUSC Shawn Jenkins Children's Hospital, rated #1 in South Carolina
- Experience minimal call requirements with the flexibility to work remotely when needed
- Collaborate with bench researchers at the on-campus Darby Children's Research Institute, the largest and most comprehensive pediatric research facility in the Carolinas

Community Information

Charleston, SC, is a captivating coastal city that blends rich history with modern charm. Nestled along a picturesque harbor, this Southern gem offers an unparalleled quality of life with its cobblestone streets, antebellum architecture, and world-renowned culinary scene. The city's mild climate, stunning beaches, and vibrant cultural offerings make it an ideal destination for both work and play.

- Overall grade of A and named a Best Place to Live in SC, a Best City to Retire in America, and a Best City to Live in America (Niche)
- Exceptional Livability Score from Area Vibes, with A grades for Amenities, Employment, Housing, Health & Safety, and Schools
- Ranked No. 13 in Best Place to Live and Retire in America (US News)
- Outstanding culinary scene with award-winning restaurants
- Beautiful coastal setting with access to beaches and plenty of outdoor activities
