

This is the life-changing opportunity you've been looking for.

Did you know if you are American Board Certified Physicians can practice in New Brunswick Canada on a regular license without exams?

Horizon Health Network in beautiful New Brunswick is looking for a Pediatrician to join our team!

Horizon Health Network (Horizon) is seeking a *dedicated, dependable, passionate, and qualified* individual to join our team as a Pediatrician. The ideal candidate will have experience **working within a collaborative environment as a member of an interdisciplinary team to provide safe and quality patient care.**

Why you should work here

Working for Horizon gives you a career that provides an east coast lifestyle and the chance to make a big difference in the lives of New Brunswickers.

Horizon is committed to enhancing our diverse and inclusive environment for our employees and patients. We believe in a healthcare system that equally supports all people regardless of race, ethnicity, national origin, social background, religion, gender identity or expression, age, disability, or sexual orientation. An environment based on a commitment to diversity and inclusion supports our goal of safe and quality patient care.

Who you are

You have a Medical Degree from a recognized medical school and postgraduate studies (residency) in the field of Pediatric Medicine.

You possess a **valid license to practice medicine in New Brunswick through the College of Physicians and Surgeons of New Brunswick (CPSNB), and** Certification by the Royal College of Physicians and Surgeons of Canada.

Written and spoken competence in English is required at an advanced level. *Bilingual skills would be considered an asset.*

What you will do

Reporting to the Pediatrics Medicine Department Head and the Physician Lead, the Pediatrician collaborates with other Physicians, Nurse Practitioners, Registered, Nurses, and other Allied Medical Staff to provide:

- Full-time practice in General Pediatrics, providing both inpatient and outpatient care.
- Provide consultations to hospital-based patients as requested by attending staff.
- Participate in departmental medical education initiatives.
- Provide on-call services as required during statutory holidays, evenings, and weekends as part of the on-call schedule for the Department.
- Participate in departmental and other appropriate pediatrics and hospital committees.
- Participate in medical practice that is compatible with the Health Authority's mission, values, and strategic directions.
- Other duties that may arise by circumstance and may be assigned by the Department of Pediatrics.

Remuneration:

This is a Salaried position. Remuneration is based on the New Brunswick Medical Pay Plan. The current rates range between \$241,748 to a maximum of \$293,904 annually (locums receive 10% of the base salary in lieu of benefits) based on qualifications and experience.

On call remuneration is Fee-For-Service which is a direct compensation between the physician and Medicare New Brunswick.

******Compensation is currently being updated as part of provincial negotiations. New rates will be shared as soon as they are finalized.***

About Horizon's Recruitment Process

We thank all applicant who apply; however, only those selected for further consideration will be contacted. All interested applicants are encouraged to apply as an equivalent combination of education, training and experience may be considered.

Horizon's recruitment screening process may include language proficiency testing, clerical testing and/or behavioral assessment. If you are selected for testing, you will be contacted via the email address provided on your application. The official results will be shared with the candidate, Human Resources and the requesting manager electronically and language results will be placed on the personnel file for Horizon's hiring purposes.

Diversity Statement

Horizon is committed to enhancing our diverse and inclusive environment for our employees and patients. We believe in a healthcare system that equally supports all people regardless of race, ethnicity, national origin, social background, religion, gender identity or expression, age, disability, or sexual orientation. An environment based on a commitment to diversity and inclusion supports our goal of safe and quality patient care.
