

CHKD Health System Seeks Pediatricians

Outpatient Opportunities

Choose a 3- or 4-Day Workweek

Live in Coastal North Carolina

Enjoy a rewarding outpatient pediatrics practice with a collaborative clinic culture, light shared call, and the support of CHKD Health System. CHKD Health System seeks BC/BE Pediatricians for opportunities in Elizabeth City, North Carolina.

OPPORTUNITY HIGHLIGHTS

- Work in a collaborative, collegial clinic culture focused on improving workflows
- Qualify for Public Service Loan Forgiveness
- Choose a 100% clinical role or pursue committee and leadership opportunities
- Take light, evenly shared call with after-hours triage support
- Choose a 3- or 4-day outpatient workweek with Monday-Friday clinic hours
- Practice with advanced practice providers (APPs) at each clinic
- Ramp up in 2-3 months with stable, growing patient volumes
- See 18-25 patients per day across bread-and-butter pediatrics and higher-complexity pediatrics, including ADD/ADHD

- Practice with no inpatient care required
- Join CHKD Health System and collaborate with pediatric specialists across the region
- Work in an NCQA-recognized patient-centered medical home
- Access teaching and research opportunities with local medical schools and residency programs
- Join more than 120 CHKD board-certified pediatricians and nurse practitioners across 19 primary care practices
- Bring strong charting, documentation, responsiveness, and communication skills to the role

COMMUNITY INFORMATION
