Neonatologist

Ark La Tex Neonatology | Willis Knighton South & The Center for Women's Health

Shreveport, Louisiana

Ark La Tex Neonatology is seeking a BE/BC Neonatologist to join our established team at Willis Knighton South & The Center for Women's Health, part of Willis Knighton Health, the leading hospital-owned health system in Northwest Louisiana. For more than 102 years, Willis Knighton has delivered exceptional healthcare services and remains the market leader across a service area spanning more than 200 miles throughout Louisiana, Texas, and Arkansas.

Practice in a collaborative environment within a **53-bed Level III NICU**, providing advanced neonatal care to premature and critically ill newborns while benefiting from the resources, stability, and regional reputation of one of the South's most respected health systems.

Opportunity Highlights

- Join an established team of Neonatologists and Advanced Practice Providers
- **53-bed Level III NICU** with advanced neonatal services
- Coverage of high-risk deliveries and neonatal resuscitations
- Collaborative support from Maternal Fetal Medicine, Pediatric Hospitalists, Pediatric Subspecialists, Obstetricians, and experienced NICU nursing staff
- State-of-the-art facilities and neonatal technology
- Strong referral network of more than **700 providers**
- Regional draw spanning more than **200 miles** across Louisiana, Texas, and Arkansas
- Leadership, teaching, and program development opportunities
- Physician-friendly culture with strong administrative support

Responsibilities

- Provide comprehensive care to premature, critically ill, and medically complex newborns
- Attend high-risk deliveries and perform neonatal resuscitation
- Manage patients within the Level III NICU utilizing evidence-based neonatal practices
- Collaborate with multidisciplinary teams to optimize patient outcomes
- Communicate effectively with families regarding treatment plans and clinical progress

- Participate in quality improvement and program development initiatives
- Maintain accurate and timely medical documentation

Qualifications

- MD or DO degree
- Board Certified or Board Eligible in Neonatal Perinatal Medicine
- Eligible for Louisiana medical licensure
- Excellent clinical and interpersonal skills
- Commitment to quality patient care and teamwork

Compensation & Benefits

- Competitive salary with productivity incentives
- Comprehensive benefits package
- Employer-funded pension plan
- Health, dental, vision, life, and disability insurance
- CME allowance and paid CME time
- Generous paid time off
- Relocation assistance
- Malpractice coverage
- Professional growth and leadership opportunities

Why Willis Knighton Health?

- Leading **hospital-owned health system** in the region
- More than **102 years of healthcare excellence**
- Market leader serving Northwest Louisiana and surrounding communities
- Service area covering more than **200 miles**
- Over **150 clinics and locations**
- Strong referral network of more than **700 providers**
- Financially stable physician employer committed to continued growth and innovation

- Collaborative medical staff and supportive administration
